Highlights

RVIA Certified

RV Industry Association-certified, our Noovo Plus meets over 500 safety standards across electrical, plumbing, heating, fire & life safety, and construction, facilitating easier financing, insurance, and resale.

Off-Grid Lithium System

Designed for off-grid living, Noovo offers customizable power options. Equipped with lithium batteries, solar panels, shore power, and a ACR charger, it allows for campground charging or total off-grid living.

Remote Work Friendly

Noovo is one of the most connected vans ever built. With satellite internet via Starlink, you can enjoy fast and reliable internet connectivity, even in super remote areas.

Lounge Salon

Noovo offers ultimate comfort and convenience with its spacious U-lounge salon, equipped with seatbelts and convertible into a bed for two additional guests. Enjoy time with companions amidst breathtaking views!

Hot Shower & Built-In Toilet

Noovo features a spacious private bathroom with a Thetford C223 toilet, an external waste disposal, a high-pressure shower with instant hot water, and a robust fan for humidity control, ensuring optimal comfort.

Queen-Sized Bed

The bedroom will give you the comfort of a luxury hotel. Instantly accessible with its 12V electrical lift bed, it features a cozy RV queen-sized 6” mattress. Ready to spend your nights under the stars?

100% Off-Grid

Travel freely, no need to plug in - our lithium system offers boundless energy, granting you the ultimate freedom to explore without energy worries.

Satellite Wi-fi

Stay connected wherever you go and enjoy the flexibility to work from anywhere.
